Welcome to the International Men's Club of Zug

OVER 30 YEARS IMCZ!

The International Men's Club of Zug was founded in June 1979 with the intention of offering a business and social forum to English-speaking expatriates and Swiss nationals in and around Zug. Today, the IMCZ has hundreds of members from dozens of countries, including many leading business personalities from the Canton of Zug.

A NETWORK OF FRIENDS

The Club promotes contact between its members by organizing a wide range of interesting and enjoyable business and social activities throughout the year. Wives, partners, girlfriends and other guests are welcome at most of our events. All meetings and events are held in English, the official language of the Club. Whether you're proficient in English or not, the IMCZ offers a unique opportunity to mix with people of different backgrounds and experiences and have a great time. Each month, members receive a copy of the "IMCZ News" with details of upcoming events, news of the Club and its members as well as items of general interest. A recent copy of the IMCZ News can be found at:

ANNUAL EVENTS

The IMCZ hosts Robbie Burns Suppers, traditional summer barbecues and other seasonal events. Over the years the IMCZ has raised hundreds of thousands of Swiss Francs through various charity events – all for charities in and around Zug. We're proud of this achievement and the ability to support the local community.

MONTHLY EVENTS

Typically once a month the IMCZ hosts a special event. Past events have included wine tastings, presentations by leading figures in business, finance and politics, excursions to places of interest, visits to local industries as well as social "sporting" events such as hiking, bowling, skiing and tennis. For a list of past highlights visit:
